Anti-racism Statement of the VCU Faculty Senate:
The VCU Faculty Senate recognizes that structural and systemic racism across our educational and social institutions affect the psychological, physical, and spiritual well-being of our entire VCU campus and broader community.

The VCU Faculty Senate affirms the powerful statement made by Dr. Aashir Nasim to the Board of Visitors recognizing the lived experiences and rights of those who call attention to historical and present-day abuses of power and privilege. We pledge to fully support and help to implement the university initiatives identified in his report that are intended to eliminate bias, discrimination, and racism across our campus. *We as VCU Faculty Senators commit to learning about, developing, and engaging in concrete anti-racist work at both individual and collective levels to support our students, faculty, and staff, and to promote real and lasting change.*
