*Faculty eligible to serve as Senators or Alternate Senators are any professors, associate professors, assistant professors, or instructors who hold full-time appointments (tenure-track or term) and who are not serving in administrative positions at or above the level of Department Chair. This excludes professional faculty and administrative faculty who will become University and Academic Professionals on July 1. All faculty within the Unit (T&R and A&P, including administrators with faculty appointments) should be included in the voting (Bylaws of the Faculty, Article III).*
